

**Olabiyisi, Stephen Olatunde** is Professor of Computer Science in the Department of Computer Science and Engineering, Ladoke Akintola University of Technology, Ogbomoso, Nigeria. He received B. Tech., M. Tech and PhD degrees in Applied Mathematics from Ladoke Akintola University of Technology, Ogbomoso, Nigeria, in 1999, 2001 and 2006 respectively. He also received M.Sc. degree in Computer Science from University of Ibadan, Ibadan, Nigeria in 2003. He has published in reputable journals and learned conferences. Prof. Olabiyisi is a member of Computer Professional (Registration) Council of Nigeria (CPN). His research interests are in Computational and Software Complexity, Performance modeling and simulation, Soft Computing techniques. For more than sixteen (16) years, he has been working on problems at the intersection of Computer Science and Mathematics. He has published more than 100 papers in international journals and international conferences. He has supervised 21 Ph.D. researches and 32 master degree researches. He has participated in different conferences as keynote speaker and guest speaker. He has served as a member National University Commission (NUC) accreditation Panel to evaluate undergraduate degree programmes in different universities. He is the member of different Engineering society and was accomplished with awards.
